

Privacy Policy

Morselt Watertechniek BV, situated at Gildestraat 12, 7622 AC Borne (the Netherlands), is responsible for the processing of personal data as is displayed in this privacy policy.

For all your questions and/or remarks in connection to this privacy statement you can send an e-mail to info@morselt.com

Personal data that we process

Morselt Watertechniek BV processes your personal data because you use our services and/or you supplied these data yourself. Below you will find an overview of the personal data we process:

- First name and surname
- Address
- Telephone number
- E-mail address
- Bank account number
- Additional information you actively supply for instance by filling in and sending the contact form on this website, in correspondence or on the telephone

Special and/or sensitive personal data we process

Our website and/or service collects no data on website visitors younger than 16 unless with explicit parental or custodial permission. However we cannot check whether a visitor is over 16 years of age. Therefore we advise parents to be involved in the online activities of their children in order to prevent personal data of children being collected without parental consent. If you are convinced we have collected personal data from minors without permission, please contact us via info@morselt.com, so we can delete this information.

To what purpose and on which basis do we process personal data

Morselt Watertechniek BV processes your personal data with the following purposes:

- For the execution of orders
- To send our newsletters and/or advertising brochures
- To be able to call or e-mail you if this is imperative for us to conduct our services
- To inform you about changes of our services and products
- To offer you the possibility to open an account
- Morselt Watertechniek BV also processes personal data when we have a legal obligation, such as data we need for our tax return

Automated decision making

Morselt Watertechniek BV does not take decisions on matters that can have (profound) consequences to persons based on automated processing. Meaning, decisions made by computer software or – systems, without intervention of a human (i.e. an employee of Morselt Watertechniek BV).

How long do we store personal data

Morselt Watertechniek BV does not store your personal data longer than strictly necessary to achieve the goals for which your data was collected. We have a storage period of 7 years.

Sharing of personal data with third parties

Morselt Watertechniek BV does not sell your data to third parties and only provide it when necessary to meet our agreement with you or to meet a legal obligation. We have an agreement with companies commissioned by us who process your personal data, to insure the same level of security and confidentiality in regard to your data. Morselt Watertechniek BV remains responsible for these processing's.

Cookies, or similar techniques we use

Morselt Watertechniek BV only uses technical, functional and analytical cookies which do not violate your privacy. A cookie is a small text file that is stored on your computer, tablet or phone during your first visit to the website. The cookies we use are essential to the technical operation of the website and for your ease of use. They make sure the website functions properly and store your preferences. We are able to improve our website with them. You can change the preferences of your browser to block cookies. Furthermore you can delete all information previously stored in your browser settings.

Consulting, changing or deleting data

You have the right to consult, change or delete your personal data. Furthermore you have the right to withdraw your permission for processing data or object to the processing of data by Morselt Watertechniek BV and you have the right to have your data transferred. This means you can put in a request for us to send all the personal data we possess to you in a computer file.

You can send a request for consulting, correcting, deleting or transferring of your personal data or a request for withdrawal of your permission, or objection to the processing of your personal data to info@morselt.com. In order to confirm that this request was actually made by you we ask you to attach a copy of your ID to the request.

In this copy please redact your photo, MRZ (machine readable zone, the part with numbers at the bottom of the passport), passport number and personal identification number. This is to protect your privacy. We will respond to your request as soon as possible but within 4 weeks at the most. Morselt

Watertechniek BV would like to point out you can file a complaint at the Nationale Toezichthouder (the Dutch regulatory authority). You can do this by using the following link:

<https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>

How we safeguard personal data

Morselt Watertechniek BV takes the protection of your data very seriously and takes appropriate steps to prevent abuse, loss, unauthorized access, unwanted publication and unauthorized change of your data. If you are under the impression that your data is not properly secured or there are signs of abuse, please contact us through info@morselt.com

We use a secure server. All sensitive information is sent using secure SSL (secure socket layer) technology. You will know you are operating in our secure and encrypted environment when you look in the address bar of your browser "<https://www.morselt.com>" and you see a closed padlock icon besides the Internet address.

Hyperlinks to other websites

On our website hyperlinks to other relevant websites can be used. By clicking on these hyperlinks you leave our website and so we can no longer be held accountable for the protection of your personal data. The other websites are not covered by this privacy statement. Therefore we ask you to check the privacy statements of those websites.

You can adjust your internet browser to keep you informed when a cookie request is sent. You can also turn off the use of cookies. If you choose to turn off this functionality it could be that the website does not function properly or does not function at all.
